

# **If Arthur Ruled the World**

**SPOILER ALERT: COVID-19 IS A SILENT  
INVISIBLE AIRBORNE KILLER.**

**If i was the ruler of the world, i would  
reverse the Coronavirus pandemic. I  
would make my own drug company and  
manufacture vaccines and give them to  
those who are tested positive and  
negative. COVID-19 will die as of 2022.  
And when COVID ends by next year,  
there will be no masks, no vaccines, no  
social distancing, no stay-at-home  
orders, no hand washing, no public**

**closures, none of that! I also wanted to be the President of Virginia. And when i'm a president, i will destroy COVID-19. I will also put up a large group of people who will create Anti-COVID protests. The pandemic is absolute bull. COVID-19 sucks! The pandemic stinks like a corpse full of maggots. Arthur Bullock, the CEO and founder of ABS will put a VERY BIG end to this useless pandemic. SARS-COV-TWO is a deadly disease. COVID-19 has killed millions of**

**Americans for the last 5-8 months last year. I wish COVID-19 wasn't there.**

**Much less took over my neighborhood.**

**Arthur's last words to the pandemic:**

**Goodbye forever and screw you,**

**COVID-19!**

**SINCERELY YOURS,**

**THE BULLOCKS.**
